

# UNIVERSITY PARK NEIGHBORHOOD ASSOCIATION

## Annual Meeting & Family Potluck Dinner

After a short business meeting, including election of new officers and board members, former UVA School of Architecture Dean and UF Faculty Senate Chair Kim Tanzer, FAIA, will reprise her excellent talk regarding affordable housing. Top City officials are invited. The Hope Beautification Award will also be presented to one of our neighbors.

Please bring a covered dish, salad, or dessert to share with other families, along with a serving utensil. We will provide the rest.

Annual dues donation of \$20 per family will be gratefully appreciated.
