

UNIVERSITY PARK NEIGHBORHOOD ASSOCIATION, INC.

Annual Meeting

Sunday, October 18, 2020, 4:00-5:30 PM
(on Zoom)

Former UVA School of Architecture Dean and UF Faculty Senate Chair Kim Tanzer, FAIA, and former UF School of Design, Construction & Planning Associate Dean Peggy Carr, will lead an interactive discussion about threats to Gainesville single-family neighborhoods posed by the new Accessory Dwelling Unit (ADU) ordinance, the possible end of the "three unrelated persons" rule, and City Commission plans to implement "inclusionary zoning".

Folks, bad things are happening . . . this is a call to action!

Following the program, we will hold a short business meeting to elect officers and directors for 2020-21. The Hope Beautification Award will also be presented to one of our neighbors.

This event is free, but annual dues of \$20 per family is requested in order to vote in our election. Visit upnagnv.org to contribute.

Registration will be required; watch for a Zoom invitation email next week and "Save the Date"!
